Dear Mr. Sheridan,

Planree Ltd. gives notice of its intention to make an application to An Bord Pleanála for permission for a wind farm in County Donegal in the townlands of Meenbog (ED Goland), Croaghanagh and Cashelnavean, County Donegal.

The proposed development will constitute the provision of the following:

(i) Up to 19 no. wind turbines with a generating capacity in excess of 50MW, maximum overall ground to blade tip heights of up to 156.5 metres;
(ii) 1 no. permanent Meteorological Mast up to a maximum height of 110 metres;
(iii) 1 no. 110kV Electrical substation with 2 no. control buildings with welfare facilities, associated electrical plant and equipment, security fencing and waste water holding tank;
(iv) Internal wind farm underground cabling;
(v) 110kV underground grid connection cabling;
(vi) Upgrade of access junctions;
(vii) Upgrade of existing tracks, roads and provision of new site access roads and hardstand areas;
(viii) 3 no. borrow pits;
(ix) 2 no. temporary construction compounds;
(x) Recreation and amenity works, including marked trails (upgrade of existing tracks and provision of new tracks), picnic, amenity and play areas, car parking and vehicular access;
(xi) Site drainage;
(xii) Forestry Felling;
(xiii) Permanent signage;
(xiv) All associated site development and ancillary works

This application is seeking a ten-year permission and 30 year operational life from the date of commissioning of the wind farm.
An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in respect of the proposed development. The proposed development is likely to have significant effects on the environment of Northern Ireland.

As previously discussed a copy of the application documentation including the EIS and NIS, is enclosed for your information.

You are advised that the Board may in respect of an application for permission decide to:

(a) (i) grant the permission, or
      (ii) make such modifications to the proposed development as it specifies in its decision and grant permission/approval in respect of the proposed development as so modified, or
      (iii) grant permission/approval in respect of part of the proposed development (with or without specified modifications of the foregoing kind), and any of the above decisions may be subject to or without conditions, or
(b) Refuse permission to grant the permission/approval

Submissions or Observations may be made only to An Board Pleanála ("the Board") 64 Marlborough Street, Dublin 1 relating to:

I. The implications of the proposed development for proper planning and sustainable development, and
II. The likely effects on the environment of the proposed development, and
III. The likely significant effects or adverse effects of the proposed development on the integrity of a European site, if carried out.

Any submissions/observations must be received by the Board not later than 5.30 p.m. on the 19th February 2018.

Yours sincerely,

[Signature]

Dear Ms Harvey,

Planree Ltd. gives notice of its intention to make an application to An Bord Pleanála for permission for a wind farm in County Donegal in the townlands of Meenbog [ED Goland], Croaghonagh and Cashelnavean, County Donegal.

The proposed development will constitute the provision of the following:

(i) Up to 19 no. wind turbines with a generating capacity in excess of 50MW, maximum overall ground to blade tip heights of up to 156.5 metres;
(ii) 1 no. permanent Meteorological Mast up to a maximum height of 110 metres;
(iii) 1 no. 110kV Electrical substation with 2 no. control buildings with welfare facilities, associated electrical plant and equipment, security fencing and waste water holding tank;
(iv) Internal wind farm underground cabling;
(v) 110kV underground grid connection cabling;
(vi) Upgrade of access junctions;
(vii) Upgrade of existing tracks, roads and provision of new site access roads and hardstand areas;
(viii) 3 no. borrow pits;
(ix) 2 no. temporary construction compounds;
(x) Recreation and amenity works, including marked trails [upgrade of existing tracks and provision of new tracks], picnic, amenity and play areas, car parking and vehicular access;
(xi) Site drainage;
(xii) Forestry Felling;
(xiii) Permanent signage;
(xiv) All associated site development and ancillary works

This application is seeking a ten-year permission and 30 year operational life from the date of commissioning of the wind farm.
An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in respect of the proposed development. The proposed development is likely to have significant effects on the environment of Northern Ireland.

As previously discussed a copy of the application documentation including the EIS and NIS, is enclosed for your information.

You are advised that the Board may in respect of an application for permission decide to:

(a)  (i) grant the permission, or  
    (ii) make such modifications to the proposed development as it specifies in its decision and grant permission/approval in respect of the proposed development as so modified, or  
    (iii) grant permission/approval in respect of part of the proposed development (with or without specified modifications of the foregoing kind), and any of the above decisions may be subject to or without conditions, or

(b)  Refuse permission to grant the permission/approval

Submissions or Observations may be made only to An Board Pleanála ("the Board") 64 Marlborough Street, Dublin 1 relating to:

I.  The implications of the proposed development for proper planning and sustainable development, and

II.  The likely effects on the environment of the proposed development, and

III.  The likely significant effects or adverse effects of the proposed development on the integrity of a European site, if carried out.

Any submissions/observations must be received by the Board not later than 5.30 p.m. on the 19th February 2018.

Yours sincerely,

______________________________

Dear Mr. Molloy,

Planree Ltd. gives notice of its intention to make an application to An Bord Pleanála for permission for a wind farm in County Donegal in the townlands of Meenbog (ED Goland), Croaghonagh and Cashelnavean, County Donegal.

The proposed development will constitute the provision of the following:

(i) Up to 19 no. wind turbines with a generating capacity in excess of 50MW, maximum overall ground to blade tip heights of up to 156.5 metres;
(ii) 1 no. permanent Meteorological Mast up to a maximum height of 110 metres;
(iii) 1 no. 110kV Electrical substation with 2 no. control buildings with welfare facilities, associated electrical plant and equipment, security fencing and waste water holding tank;
(iv) Internal wind farm underground cabling;
(v) 110kV underground grid connection cabling;
(vi) Upgrade of access junctions;
(vii) Upgrade of existing tracks, roads and provision of new site access roads and hardstand areas;
(viii) 3 no. borrow pits;
(ix) 2 no. temporary construction compounds;
(x) Recreation and amenity works, including marked trails [upgrade of existing tracks and provision of new tracks], picnic, amenity and play areas, car parking and vehicular access;
(xi) Site drainage;
(xii) Forestry Felling;
(xiii) Permanent signage;
(xiv) All associated site development and ancillary works.

This application is seeking a ten-year permission and 30 year operational life from the date of commissioning of the wind farm.
An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in respect of the proposed development. The proposed development is likely to have significant effects on the environment of Northern Ireland.

As previously discussed a copy of the application documentation including the EIS and NIS, is enclosed for your information.

You are advised that the Board may in respect of an application for permission decide to:

(a) (i) grant the permission, or
(ii) make such modifications to the proposed development as it specifies in its decision and grant permission/approval in respect of the proposed development as so modified, or
(iii) grant permission/approval in respect of part of the proposed development (with or without specified modifications of the foregoing kind), and any of the above decisions may be subject to or without conditions, or

(b) Refuse permission to grant the permission/approval

Submissions or Observations may be made only to An Board Pleanála (“the Board”) 64 Marlborough Street, Dublin 1 relating to:

I. The implications of the proposed development for proper planning and sustainable development, and
II. The likely effects on the environment of the proposed development, and
III. The likely significant effects or adverse effects of the proposed development on the integrity of a European site, if carried out.

Any submissions/observations must be received by the Board not later than 5.30 p.m. on the 19th February 2018.

Yours sincerely,
