Drawing Legend:
- **Underlay**: Study Area
- **Hardstanding Area**
- **Contours**: M0, M1, M2, M3, M4, M5, M6, M7
- **Existing Tracks/Forest Roads**
- **Application Boundary**
- **Turbine and Swept Area**
- **Turbine Foundation**
- **Existing Drainage**
- **Proposed Drainage**
- **Existing Sumps**
- **Proposed Sumps**
- **Existing Interceptor Ditches**
- **Proposed Interceptor Ditches**
- **Existing Culverts**
- **Proposed Culverts**
- **Existing Collectors**
- **Proposed Collectors**
- **Existing Swales/Filter Beds/Secondary Spreads**
- **Proposed Swales/Filter Beds/Secondary Spreads**
- **Existing Vegetation Filters**
- **Proposed Vegetation Filters**
- **Existing Secondary Spreads**
- **Proposed Secondary Spreads**
- **Existing Level Spreaders**
- **Proposed Level Spreaders**
- **Existing Dams**
- **Proposed Dams**
- **Existing Culvert Pipes**
- **Proposed Culvert Pipes**
- **Existing Fenders**
- **Proposed Fenders**
- **Existing Settling Ponds**
- **Proposed Settling Ponds**
- **Existing Downstream Diversion Drains**
- **Proposed Downstream Diversion Drains**
- **Existing Flumes**
- **Proposed Flumes**
- **Existing Interceptor Drainage**
- **Proposed Interceptor Drainage**
- **Existing Water Treatment Management**
- **Proposed Water Treatment Management**
